7. Apply your custom vendor discount code by adding it to the "Promo Code" space. After selecting "Apply" you will see your Subtotal adjust to \$0. If you do not see the price adjust, please reach out to registration@neurocriticalcare.org.
8. Once the price adjusts to \$0, you can click checkout to finish, and you will receive a confirmation email to the email address tied to your NCS account.
9. If you do not have any complimentary passes left, you will follow the same process as outlined above. When you get to the review/checkout page, you will just click checkout and continue to payment. You will not enter a code. You will receive a confirmation email to the email address tied to your NCS account once payment is made.

Please note that your comp code usage is limited to the number of registrations your company has been allotted. Once the code has been "applied" in a cart, this counts as one of your usages.
