

**NOTICE OF INTENT TO HIRE AN EAC**  
**Western Manufacturing Technology Show**  
**April 9 - April 11, 2025**

An exhibitor appointed contractor (EAC) is a company other than the general or official service provider on the show that requires access to a booth during installation and dismantling. The EAC may only provide services in the facility that are not designated by the facility as exclusive to a designated provider, or by the show organizer in a contract as an exclusive service for the general or official service provider or other 3rd party.

If you are hiring an EAC please submit this form along with a valid Certificate of Insurance to **GES** by 30 days prior to show start. The Notice of Intent to use an EAC must be completed for every third party (as well as any other third party ordering or requesting services from **GES** on behalf of Exhibitor) at the above Show.

Failure to provide the above items may result in restricting the EAC's company personnel from working on the exhibit floor. The EAC may be required to hire installation and dismantling labour from **GES** and may be able to supervise the installation and dismantling only.

All companies are to abide by Canadian Labour laws, and governing union jurisdiction within the venue/facility.
